How to create
A culture of growth
without ruffling too many feathers
September, year one of implementation
June,
year one
of
implementation
How do we survive?
An investment in people
Meeting the needs of all learners, novice to experienced
Building an infrastructure
Joint ownership, joint decision making
Common message to all parties
Common training
Be Accessible
Don’t let people go it alone - Common tools...
Leveraging Existing Opportunities
Time, everyone’s enemy
Integrate into everything, every day
Make professional growth a priority
Leave room to grow
One word...

Streamline
What teachers and principals do every day is important.
We are the professionals

HAVE YOUR SAY
AND MAKE YOUR VOICE HEARD
