### How will you apply the course content to your current job assignment? (skip if not applicable)

Using it to implement your books.

I will use what I have learned to teach students how to better understand literature and the tools they need.

Reading complex texts in the classroom

### How much of this course content have you already begun using in your field?

Just finishing the unit Holes.

About a 4th of it because of lack of time and materials.

Reading my first nonfiction text

### Name one take away that has most impacted your classroom to date.

Love the turn and talk stems.

The fact that genre plays a big role in reading comprehension of complex text. Also, that there are four quadrants to fiction pieces and their independent components.

How to determine what is a complex text and find or determine the quadrants.

### Other comments or suggestions:

This is the best PD I have been to in se time.

I would love it if our district could adop this program. It most closely resembles the real world experience our student will face in the real worl- authentic reading. It makes reading fun!
