1	Some sections of the presentation were unnecessarily repetitive and some materials were redundant. It seemed like the presenters needed to consult each other and those who prepared their materials prior to giving them to us. It was evident that they were very knowledgeable, but they came across as not so prepared at times. Also, they did not always use "wait time" effectively, frustrating some people who expected it.	10/24/2016 1:12 PM
2	This was a very useful conference for me. It provided exactly the guidance I needed for setting up the cohort.	10/24/2016 12:59 PM
